

Safeguarding and Welfare Requirement: Health

The provider must have a procedure to manage any serious accident, illness or injury to, or death of, any child while in their care.

6.9 Critical Incident

Policy Statement

A critical incident is a traumatic incident that could result in death or serious injury to a child or staff member. We have in place a procedure in order to manage any incident effectively and support all those affected after the incident.

Procedures

- Our designated person who will take the lead during should a critical incident occur is:

Beverley Feeney (or in her absence, Alison Paulley)
-

When dealing with a critical incident the designated person will refer to the ***Critical Incident Response Timeline (Appendix A)***.

Preparing for a critical incident occurring

The designated person will undertake ***to direct staff*** to take the following actions:

- Contact the emergency service (**Appendix B**).
- Contact the child's family.
- Manage and reassure the other children.
- Contact the Services for Young Children (SfYC) office for support and advice - their telephone number is 023 8065 0034 .
- Agree what to say and contact all parents.
- Agree what to say (with support from SfYC) and speak to media.

When directing staff, ideally one person should stay with the child, one person should telephone for an ambulance and meet the ambulance and one person should record the event with timings. Other staff should be directed to care for the remaining children.

Actions following the incident

The designated person will undertake to take the following actions:

- Inform Ofsted by telephone: 0300 123 1231.
- Inform Children's Services by telephone: 0300 555 1384.

- Inform the insurance company by telephone - Pre-school Learning Alliance: 020 7697 2585.
- Update the SfYC development team by telephone: 023 8065 0034.
- Update and debrief the staff team in person via a staff meeting or individually
- A full report will be written and kept with the child's records.
- The procedures will be reviewed to see whether anything can be learnt from the incident.
- Consider counselling as necessary.

Ongoing issues

After a serious incident we will seek support from our Local Development Team (SfYC Development Officer) when dealing with any ongoing actions.
